

Information on the EU-POP Regulation (EU) 2019/1021 concerning persistent and organic pollutants and subsequent amendments

FATH GmbH Components, Gewerbepark Hügelmühle 31, 91174 Spalt, Germany

We are in close contact with our pre-suppliers in order to obtain information on persistent organic pollutants under Regulation (EU) 2019/1021.

Based on our current knowledge and the supplier and material information available to us, we assume that our standard products do not contain substances listed in Annexes I and II to Regulation (EU) 2019/1021 above the applicable limit values or the limits specified for unintentional trace contaminants.
