Confirmation of Compliance with the Requirements of the PPWR - Regulation (EU) 2025/40

Dear Sir or Madam,

FATH GmbH hereby confirms that, based on the current state of knowledge, the packaging and/or packaging materials supplied by us comply with the requirements of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR) that are applicable to them.

This confirmation particularly includes, where applicable to the respective packaging:

- Compliance with the basic requirements regarding composition, packaging minimisation and the avoidance of unnecessary packaging.
- Consideration of the requirements for recyclability and environmentally sound packaging design.
- Provision and maintenance of relevant information on packaging materials, material composition and regulatory requirements.
- Support in providing the corresponding evidence along the supply chain, provided that such evidence is required and available to FATH.

According to our current state of knowledge, we do not use any packaging and/or packaging materials that conflict with the applicable requirements of the PPWR. This statement is based on the information available to us on the date of issue, internal assessments and available supplier information.

Should any differing information become known to us, we will assess it and - where necessary - initiate appropriate measures.

This confirmation is based on the current state of knowledge as of the date of issue.

Sincerely,

FATH GmbH

Christian Theiner

Director HSQE
